

HYPE GLOBAL VIRTUAL ACCELERATOR TAIWAN

About Us

With the support from Sports Administration, Ministry of Education , IAPS now partnered up with HYPE Sports Innovation and kicked off HYPE GVA TAIWAN program in 2018.

HYPE GVA Taiwan has the vision to become the Asia Hub of Sports Innovation and build the collaborative ecosystem for sport innovation and technology development.

We believe that the HYPE GVA Taiwan Program could provide tremendous opportunities and rewarding experience to the startups. We have successfully consolidated multiple resources in both industry and academia in Taiwan

Highlights

- Recruited 312 startups **from 46 different countries**.
- Created more than **16.7M USD** worth of investment and business values for startups.
- Matching startups with **international companies** in similar fields (Ex: Decathlon, mySports.), and creating proof of concept chances.
- Establishing an **Eco-system chain** of industry-academia cooperation with the National Taiwan Sports University.
- Maintained a database of **more than 100 mentors** in different specializations such as industry, academia, and commerce locally and abroad.
