深耕體育 • 蓬勃競技

要活就要動，運動不僅能促進身體健康，更能充實生活內涵，凝聚國民的向心力，以及展現國力。放眼世界先進國家，莫不致力投入優質運動環境，提升運動風氣，強健國民體質，深化運動文化，打造健康生活，培育運動人才，以及發展運動產業等工作。並透過大型賽事之舉辦，大幅提升體育運動環境品質，進一步帶動經濟發展，與提高國民生活水準，為我國體育運動發展之最佳典範。

回顧去年，本署在自行車道整體路網、國際體育、競技運動、全民運動、行銷體育政策、強化人力資源效能、學校體育活動及教學，以及原住民體育教育等方面，有著公認且卓著之施政成果。

為延續體育政策之推動，本署將努力達成包括：規律運動人口突破 3 成 3，2015 光州世大運總獎牌排行超越第 7 名，以及 2016 里約奧運參賽資格選手超過 50 人等年度新目標。並廣續依據短、中、長程計畫，以「優質運動文化」、「傑出運動表現」、「蓬勃運動產業」等做為核心理念，逐步發展本國運動新風貌。此外，面臨 2017 臺北世大運之到來，亦將與臺北市府建立合作機制，讓臺灣能在國際體壇上發光與發熱。

因應網路時代之來臨，國民已偏重坐式生活型態，養成及維持規律運動更顯重要。此外，在全球競技運動中，我國面臨強大競爭壓力，亦須提升競技運動水準。據此，本署將持續整合政府與民間資源，並積極推動各項體育運動發展策略，同時以創造愉快的運動經驗，來為臺灣培育健康卓越的人才，讓我國體育發展再創高峰，也讓健康國民、卓越競技與活力臺灣之體育新願景能真正來臨。

Sports Cultivation, Vibrant Competition

To live, we must move. Sports not only improve physical health, but also nourish inner character, fosters national consensus, and demonstrate national prowess. Developed nations across the globe dedicate themselves to work that foster the improvement of sports environment, encourage sports participation, strengthen citizen fitness, deepen sport culture, create healthy lifestyle, nurture sports talents, and invigorate sports industries. The hosting of major sporting events also serves to boost massive improvement in sports environment, invigorate the economy, and improve overall level of lifestyle for the general public. All these serve as shining models for our country's sports development.

Reviewing last year, the Sports Administration of the Ministry of Education (SA) has significant and widely-acknowledged contribution in areas such as bicycle path network integration, international sports, competitive sports, sports for all, marketing sports policies, consolidating human resource efficiency, activities and teaching of school sports, as well as sports education for indigenous people.

Perpetuating a sustainable development of aforementioned sports policies, the SA will endeavor to achieve the following new goals: 33% of population exercise regularly, rank 7th and above at the 2015 Gwangju Summer Universiade, and over 50 athletes qualify for the 2016 Rio Olympics. National sports features will continue to develop through core ideals of Excellent Sports Culture, Outstanding Sports Performances, and Vibrant Sports Industries. In addition, as we welcome the hosting of 2017 Taipei Summer Universiade, the SA will establish a cooperation mechanism with Taipei City Government that will facilitate Taiwan's performance in the international sports arena.

The advent and proliferation of the internet have significantly altered the lifestyle of citizens, and it has become more imperative to nurture and maintain regular sports habit. Further, as competitive sports become global, Taiwan must improve its competitive skills to deal with growing competition. As such, the SA will continue to integrate government and civic resources, actively promote development strategies for various sports, and at the same time nurture a pleasant sports experience. All these aid to develop excellent talents for the country. May Taiwan's sports development reach another new peak, and the true realization of healthy citizens, excellent competition, and vibrant Taiwan can come to pass.
